

Clipp Merchant Center App Guidelines

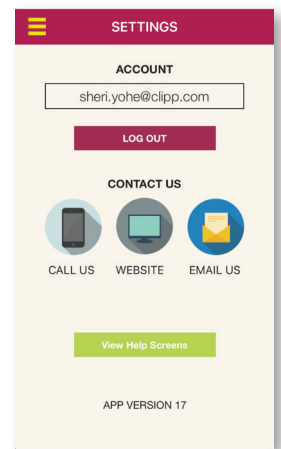

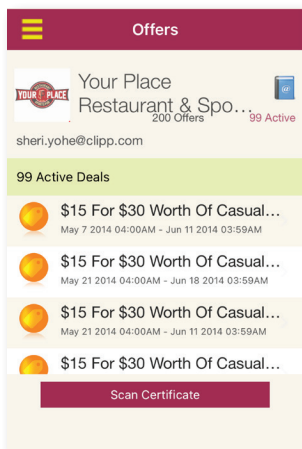

Clipp

MERCHANT APP GUIDE

The Merchant App consists of multiple screens, allowing you to manage your offers and redemptions quickly and easily from your mobile device.

Download the Clipp Merchant Center app onto your mobile device from either the Apple Store or Google Play.

MERCHANT DETAILS

View a list of all your current and past Deals and coupons and the date range they were sold. Tap the item to see Deal summary and the number sold.

CERTIFICATES

Redeem offers on this screen by tapping "Scan Certificate" at the bottom. Follow the prompts to redeem using the built-in scanner. Be sure to enter the pre-discount amount when asked.

Tap "Search" to locate a specific certificate number.

Tap the paint bucket in the upper right corner for the colored dot key.

SETTINGS

Easily reach Merchant Support by phone or email from this screen.
